SAMPLE: not actual rendition of plaque.

Beginning in 2018, Fifth Avenue is providing an opportunity for friends and families of the church to purchase a memorial plate to be mounted and engraved on a large plaque in the church sanctuary that pays tribute to our departed pioneers, sojourners and keepers of the cross members of the church. This opportunity will be ongoing and can be purchased at any time. Once the plate has been paid in full, it will be engraved and mounted on the plaque.

If you are interested in purchasing a memorial plate, please fill out the form and return it to the church with a payment in full or a pledge commitment of an incremental payment plan not to exceed a 3 - year timeframe. The cost of purchasing a memorial plate is \$125.

Please consider participating in this project. The proceeds from this effort will be used to support the ongoing operations and ministries of the church. The plaque will be a permanent reminder of whom we are and whose we are, thanks be to God.
